# Fire Trend Chart of GST Products

# Fire Detection & Alarm System

- H Series Fire Alarm Control Panel
- Loop Power IO Module and Field Products
- Industrial, Utility Tunnel and Explosion-proof Products
- Graphic Device and Broadcasting/Telephone System

# Electrical Fire Detection System

- Control Panels
- Residual Current Detectors
- Thermometry Detectors

# Combustible Gas Detection System

JB-KR-GSTN3200G  
JB-KR-GSTN3200T  
JB-KR-GSTN004  
Combustible gas alarm controller

JT-GST001M  
JM-GST001M  
Household combustible gas detector

JT-GST002M  
JY-GST002M  
JM-GST002M  
Household combustible gas detector

- Control Panels
- Detection Gas Type Methane
- Detection Gas Type Hydrogen
- Detection Gas Type Propane
- Detection Gas Type Methane & Propane

JY-GST002M  
Networked  
combustible gas detector

GT-GST003M  
GY-GST003M  
Industrial & commercial  
combustible gas detector

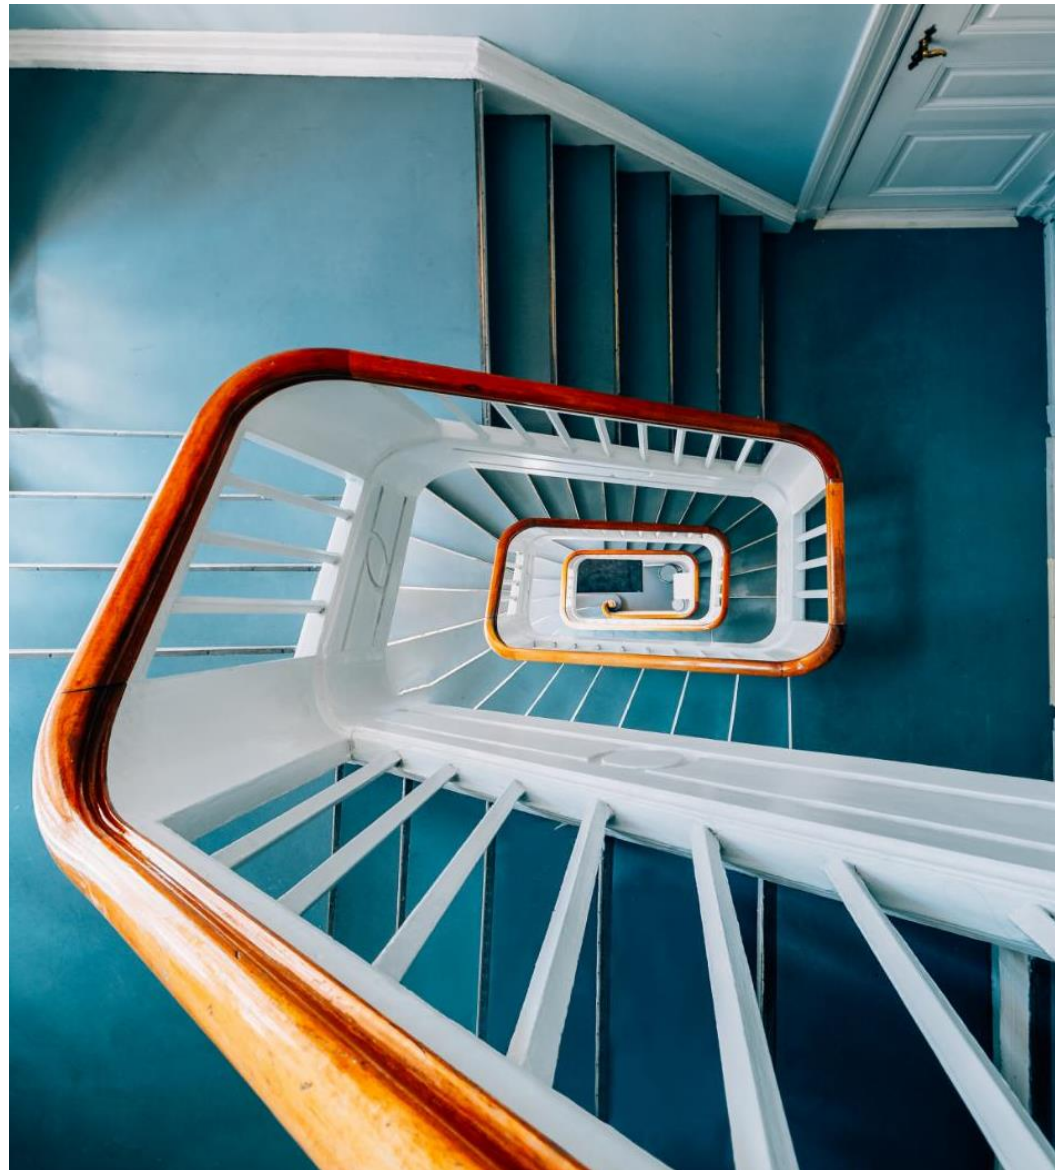

# Aspirating Smoke Detection System

- GST Aspirating Smoke Detectors
- Airsense Aspirating Smoke Detectors

# Residual Air Pressure Monitoring System

- Residual Air Pressure Monitor
- Residual Air Pressure Controller
- Residual Air Pressure Detector

# Intelligent Evacuation System

- IES Control Panels
- IES Power Supply Unit
- Centralized Power Supply and Centralized Control Type Fire Emergency Sign Lamp
- Centralized Power Supply Centralized Control Type Fire Emergency Lighting

# Fire Door Monitoring System

- Control Panels
- Loop-powered Fire Door Closers
- Fire Door Monitoring Modules & Magnetic Switch

# Fire Power Monitoring System

- Fire Power Monitors
- Voltage Sensor
- Voltage and Current Sensor
- Current Transformer

# Intelligent Fire IoT System

# Gas Suppression System

- Heptafluoropropane Gas Suppression System
- IG541 Gas Suppression System

# Smart Community Fire Detection System

- Residential Smoke Detector
- Residential Heat Sensor
- Residential Power Supply Box
- Residential Fire Alarm Controller
- Independent Photoelectric Smoke and Fire Detection Alarm

# Export Fire Detection & Alarm System

GST

- IFPXM Addressable Control panels
- Addressable Detectors, Modules, Filed Devices
- Conventional Filed Devices 

# Export Fire Detection & Alarm System

- 2, 8 Loops Addressable Control Panels
- Addressable Field Devices
- Conventional 2~16 Zones Panels
- Conventional Filed Devices

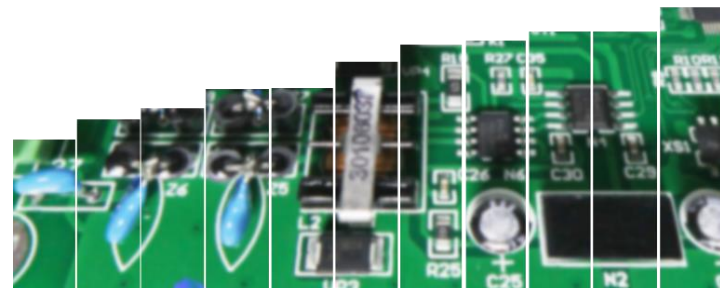

# Export Fire Detection & Alarm System

- GST CU-TR Panels and Devices
- GST PSB Panels and Devices
- GST SAI Panels and Devices

# GST One-Stop Fire Solution: Products

# GST One-Stop Fire Solution: Services

One-stop service provider.   
Offering presale, professional sales &  
after service and  
full-range technical support.

..... Convenient .....

Global sales network and   
professional technical service team with  
more than 600 engineers in 150+ cities  
all over China to provide real-time  
support 24/7.

..... Prompt .....

E-commerce system,   
remote commissioning etc.  
rich digital and remote tools to bring a  
smarter and more efficient experience.

..... Efficient .....

# Our Communities

Keep our mission and take social responsibility, including supports on primary education in underprivileged rural areas in China and professional education in fire industry as well as fire safety in our communities.

Green Shoots  
to support primary  
education

Scholarship Donation  
to support professional education  
in fire industry

Fire Products Donation  
to support  
vocational training

Fire Products Donation  
to protect  
communities
