Attestation of Compliance

No. E8N 11 04 60192 012

Holder of Certificate: Gulf Security Technology Co., Ltd.

No. 80, Changjiang East Road, QETDZ

066004 Qinhuangdao, Hebei

PEOPLE'S REPUBLIC OF CHINA

Name of Object: gas detection systems
Addressable CO Gas Detector**Model(s):** I-9603(CO)**Description of Object:**

Rated voltage:	24VDC (only powered from the Fire Alarm Control Panel of the same manufacturer)
Rated current:	3.0mA Max.
Protection class:	III
Detecting gas:	CO
Detection threshold:	Alarm level I: 25ppm Alarm level II: 50ppm
Apparatus type:	Type 1

Tested according to:

EN 50270:2006

This Attestation of Compliance is issued according to the Directive 2004/108/EC relating to electromagnetic compatibility on a voluntary basis. It confirms that the listed apparatus complies with all essential requirements of the EMC directive and applies only to the sample and its technical documentation submitted to TÜV SÜD Product Service GmbH for testing and certification. See also notes overleaf.

Test report no.:

BJ8001023201

Date, 2011-05-06

(Jing Zhang)

After preparation of the necessary technical documentation as well as the EC conformity declaration the required CE marking can be affixed on the product. Other relevant directives have to be observed.

E8N Attestation of conformity(CE EMC)

We are pleased to attach your certificate of Conformity (No.: E8N 11 04 60192 012), which confirm that a sample of the above mentioned technical equipment has been tested and was found to be in accordance with the relevant requirements.

Let us herewith give you some additional information which we consider to be important to you:

- The product has to be accompanied by a user manual and safety labelling/warning mark in the language of the country where it is supposed to be sold.
- To ensure that the validity of the certificate, please control any change in your production or of the product by yourself.
- Declaration of conformity and CE marking and should be prepared with the product to be sold to EU market according to related EU regulation and directives.
- Other related EU regulation and directives for the product should also be met with.

We appreciate your kind support and would like to offer our assistance and continuous services at any time.

Yours sincerely,

Jing Zhang
