

DB-M01

Common Detector Base

Description

A common base for both GST addressable and conventional DI/DC series UL listed detectors, provides mechanical fixing and electrical connection. There is no electrical component on the base.

The DB-M01 base has 4 terminals marked with 1-4. For the detail connections, please refer to the manual of installed detector.

Technical Specification

- Compatible Devices:
DI-M9101, DI-M9102, DI-M9103
DC-M9101, DC-M9102, DC-M9103
- Material: ABS
- Dimension: 100mm(D) X 16.5mm(H)
- WEEE & RoHS Compliant

Installation Details

Order Information

Part No.	DB-M01
Device Name	Common Detector Base
Product No.	30205767

IMPORTANT: This publication is a generic version in which product information is shown for informational purposes only and does not constitute a specific commitment or guarantee. We are constantly pursuing the improvement of product technology to improve product performance, for which we reserve the right to adjust the configuration and technical information of the related products without notice. In addition, the description of system performance in this publication applies only to the usual situation. As a result, there may be a variety of unpredictable special circumstances in the real world, so the realization of the relevant product performance will depend on the professional investigation and analysis and the design plan. Please contact us and we will be happy to provide you with professional advice.
